

THE BUILDER

IMPORTANT DATES

Let's start with the good stuff! Kiwanians have two very special events coming up over the weekend. The first one is a fun one, and that is an evening at Judy and Fred Druyf's home on Valentine's Day. Details can be found in the Doodle that went out, and if you've yet to buy your loved one a gift, or are looking to supplement one, sharing laughter and cheer with your Club is perfect idea! The second event is also fun, but it does require a little more hustle. On Monday, February 17th, we will be at Cobble Beach to prepare and sell food as part of their Family Day celebration. The event starts at 10am and ends around 3pm. If you are able to support the Club by donating some of your time as a cook or a runner, please let President Michelle know as soon as possible.

IMPORTANT INFORMATION

In an exceptional turn of events, following our regular meeting during which as a Club we agreed to allow for the sale of the Food Truck and set price perimeters, it sold at our full asking price! President Michelle shares her appreciation for the determination and hard work of Kiwanians Paul M., Fred D., Eric C., Paul S., and Gord H. The Kiwanis Club of Barrie purchased the truck with no conditions. There is still some work ahead to fix up a couple of more pieces of our food service investment, but this was a great sale for the Club. Our Club also continues to need new Board Members. If you are interested in running for a position, please reach out to any Board Member to discuss or learn more about how you can add to your service with the Club. If anyone is interested in attending the District Convention in Fredericton May 15th-17th or the International in Indianapolis June 18TH -21st, please speak with President Michelle.
